

Atlantic Coast Old Timers Events

Dedicated to the preservation of the history of oval track racing in the U.S.; at each event the Atlantic Coast Old Timers field many fine examples of the beautiful open cockpit, open-wheeled racecars that thrilled the fair-goers and race fans from the 1930s through the 1960s. With every type of car from exotic Offenhausers to home-built Ford flathead V8s and ELTO outboards - the ACOT exhibitions bring pure nostalgia for the vintage racing fans in the Northeast.
